

# SENIOR BI BUSINESS/DATA ANALYST

## Lloyds Bank GmbH - Amsterdam

Do you want to broaden your horizon and expand your experience? Do you want to learn from the international expertise of Lloyds Bank GmbH? And, are you a passionate and driven professional? Then we are looking for you!

### Your tasks:

- Collaborate with business stakeholders to identify reporting and analysis needs and appropriate business intelligence solutions from a central data warehouse
- Translate reporting needs into functional and technical requirements and manage them throughout their lifecycle
- Carry out impact assessments of source system changes or regulatory reporting landscape with effects on the data warehouse
- Supporting the Product Owner with the definition of work packages of BI projects and clarification of details requirements with input from stakeholders and technical architects
- Work closely with BI developers in different locations
- Take responsibility and ensure delivery of the proposed solutions
- Actively drive transformation through BI solutions being able to challenge the status quo and think outside the box
- Ensure adherence to development standards and processes within Lloyds Bank NL and Lloyds Banking Group

### Your knowledge/experience:

- Bachelor's or Master's degree in Business studies and/or IT
- Proven work experience as a BA or in a BI/ Reporting/ IT environment (5+years)
- Proven work experience with analytics and data analysis
- Strong analytical and problem-solving skills with the ability to prioritise
- Functional understanding of data warehousing and ETL processes
- Ability to develop strong working relationships and work collaboratively across organizational levels
- Ability to answer complex questions in a structured and clear way and then communicate to non-technical stakeholders
- Proficient in SQL being able to write structured and efficient queries on big data sets
- Knowledge in data visualization with PowerBI (or any other visualization tool)
- Experience working in a scrum environment is a plus
- Strong oral and written communication skills in English

**WE OFFER**

The position is for 40 hours per week, with a salary in line with the market and excellent secondary employee benefits. Do you recognise yourself in one or more of the areas above? Then we would like to meet you! Send your CV and motivation letter in English to: [recruitment@lloydsbank.nl](mailto:recruitment@lloydsbank.nl)
