

# PROJECT MANAGER

## Lloyds Bank GmbH - Amsterdam

Do you want to broaden your horizon and expand your experience? Do you want to learn from the international expertise of Lloyds Bank GmbH? Do you want to be part of our Marketing & Business Development department? And, are you a passionate and driven professional? Then we are looking for you!

### POSITION

The Project Manager is responsible to plan, direct, drive and monitor traditional (waterfall) as well as agile projects from beginning to end adhering to budget, quality standards and deadlines. As part of the Change team the Project Manager is capable and comfortable to contribute beyond the own realm of expertise. The role is within the Change Team of Lloyds Bank in The Netherlands reporting to the Manager Change and Project Portfolio.

### KEY ACCOUNTABILITIES

- Ensure work is completed within defined budget, time and quality constraints and in accordance with established processes, appropriate service standards, practices and procedures:
  - Provide support to the control and management of project budgets and resource costs, reporting variances and escalating as appropriate to overcome delays, difficulties or cost over-runs.
  - Effectively communicate project requirements, report progress and status to the appropriate stakeholders in a timely and clear fashion, including identification and escalation of key risks and issues
- Build and maintain effective working and influencing relationships with appropriate colleagues, proactively answering queries and following up actions with stakeholders. Identify and resolve issues and conflicts within the project team and with stakeholders.
- Complete and maintain full and consistent project documentation
- Support gathering of requirements and suggest continuous improvements to new and existing processes, procedures and systems in order to improve efficiency
- Demonstrates Lloyds Banking Group values and behavior and encourages this in team members

### KEY CAPABILITIES

- Educated to a Bachelor's degree in Business studies or equivalent
- >5 years relevant Project Management experience – preferably in a Banking environment and/or in a multi-national environment
- Experience in different project environments, driven by different methodologies, e.g. Agile, Waterfall
- Project Management certification is a plus
- Very good MS office and Jira/Confluence skills
- Excellent Dutch and English skills
- Well-organised and collaborative: strong in planning, prioritisation and communication
- Self-motivated, takes initiative and facilitates efficient and effective decision making

**WE OFFER**

The position is for 40 hours per week, with a salary in line with the market and excellent secondary employee benefits. Do you recognise yourself in one or more of the areas above? Then we would like to meet you! Send your CV and motivation letter in English to: [recruitment@lloydsbank.nl](mailto:recruitment@lloydsbank.nl)
