

## Arrears Manager

### Lloyds Bank, locatie Amsterdam

Wil jij jouw ervaring uitbreiden en leren van de internationale expertise van Lloyds Banking Group? Wil je deel uitmaken van het Collections & Recoveries Team in Amsterdam? Ben jij een gepassioneerde, gedreven professional? Dan zijn wij op zoek naar jou!

#### **POSITION**

This Role is positioned within the Collections & Recoveries Department (C&R) of Lloyds Bank GmbH, part of Operations.

The Arrears Manager is responsible for managing a portfolio of distressed mortgage accounts, Personal Loans and Business Loans, with the overall aim to decrease the amount of arrears and decreasing and minimising the residual debt with regards to residential mortgages. The Arrears Manager is responsible for the entire collection process from first reminder to the assistance of the customer in financial difficulty throughout the enforced auction of the property, and the collection of the residual debt (if any). Always making the best decisions in the interest of the customer and the Bank, whilst taking into account, circumstance and appropriate legislation/credit policies, etc.

#### **KEY ACCOUNTABILITIES**

##### Decreasing Residual Debt

Contribute to the decrease of residual debt by ways of making individual arrangements in order to receive maximum payments. In addition, accompany private and enforced auctions of the pledged property.

##### Stakeholder management

Manage and maintain good relationships with external parties, such as real estate agents, bailiff offices and lawyers.

##### Administration

Accurately administer all arrears data and keep track of additional relevant information with regards to arrears in such a way, that information is available instantly and can be monitored.

##### Management Information

Provide Management Information upon request.

##### Arrears Accounts

Effectively manager accounts in arrears, from opening the file, to making individual settlements. The Arrears manager will assess customer's circumstances, review the financial situation, make recommendations (i.e. restructuring of the mortgage) and make the best decisions in the interest of the customer and the Bank, whilst taking into account, circumstance and appropriate legislation/credit policies.

In addition the Arrears Manager is responsible for management of a set of fore closure accounts and 'LATE' arrears accounts.

### Home Visits and Execution Auctions

If and when necessary the Arrears Manager will perform home visits to the customer in financial difficulty and/or the property in order to assess the situation/circumstances. If and when necessary the Arrears Manager will act as the legal representative of the Bank in Court or at Auctions.

### Internal Audits

The Arrears Manager will monitor progress of cases and will provide data, prepare updates and reports and in addition share knowledge when needed in case of internal Quality Assurance Reviews or internal Audits by Group
